# This is our Memorial Stadium.

What we learned from this incredible list is that Grand Island rolled up her sleeves and everyone participated in building this community asset. **We have the opportunity to do this again!**

Our Memorial Stadium is in need of modern upgrades to seating and infrastructure so that it may be an asset to our community for another seventy years. The Grand Island Public Schools Foundation has kicked off a \$17 million capital campaign to meet this need. The campaign includes a lead gift of \$10 million from 1964 alum Lanny Martin,

an investment of \$2 million from the school district, and a community campaign to raise the additional \$5 million.

**We hope YOU will help us give our community home field advantage again.**

Our volunteers have started making calls. It is Our Memorial Stadium, Our Grand Legacy.

And, it will take all of us just as it did in 1947.

For project renderings and details see our website: [www.gimemorialstadium.org](http://www.gimemorialstadium.org); or call Traci Skalberg 308-385-5900, ext. 1170.

Campaign co-chairs:

**Jeff and Jane Richardson**  
GISH Class of 1983, Campaign Co-Chairs

**Jim and Maureen Kahrhoff**  
GISH Class of 1960 & GiCC Class of 1960, Campaign Co-Chairs

**Tom and Holly Rathman**
